# The difference lies in the **details!**

## **Body and door colors:**

Along with the classic body colors of white aluminum and black gray, many further options are available with Caddixx.

## **Room orientation with pictograms**

Because orientation is more than just a detail

## **Self-adhesive numbers**

Wherever more conspicuous locker numbering is required

## **Cylinder lock**

with 2 keys, lockable with main key as standard fitting

## **Door reinforcement**

Warp resistant and absolutely sturdy thanks to welded profiles

## **Shoe holder**

Expands the use of the locker and keeps the interior tidy

## **Storage box in the door**

Easy to hook into place. Finally a separate box for accessories!

## **Height adjustable charger shelf**

Provides for optimum locker usage and easier access of the charger. A good example of the adaptability of the Caddixx range.
