

More than just a locker –

C + P school lockers & wardrobes

Whether you're a school administrator, planner, or educational institution—when it comes to functional school furniture solutions, user comfort, safety, and hygiene standards are all equally important. With C + P school lockers, we deliver all of that in a single product: smart, sturdy, and durable—ideal for schools, universities, and educational institutions of all sizes.

Here's what the lockers & wardrobes offer:

- + **Zinc-plated shelves:** for optimal corrosion protection
- + **Child-friendly design:** All compartments are easily accessible
- + **Safe & reliable:** Break-in-resistant construction (Level C per DIN 4547)
- + **Sturdy doors:** with doorstop silencers, ventilation, and a padlock for a padlock
- + **Well-thought-out interior fitting:**
 - + Single-tier: Storage shelf + changing room rail with 3 double sliding hooks
 - + Double-tier: One changing room rail per case with 3 double sliding hooks
- + **Easy to clean:** Smooth, sweepable compartment bottoms
- + **Uniform row appearance:** thanks to narrow lateral edges without visible gaps
- + Also available with feet or a plinth upon request

BIONIC Steel Frame by C + P:

Sturdy steel structure with strategic material reinforcement for outstanding stability and service life.

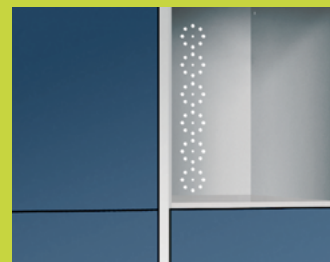

Controlled Opening:

Standard 90° door stop for greater safety and convenience

Secure Closure Technology:

From a simple turning bolt latch to PIN code, RFID, or online locking systems—maximum security.

Optimal ventilation:

Door and cabinet openings ensure air circulation and prevent odors from forming—a hygiene must for daily use.
