

More than just a locker – the C + P daycare lockers & wardrobes

Child-friendly, safe, and functional—C + P daycare lockers & wardrobes are perfectly tailored to the needs of kindergartens and preschools. With a child-friendly design and well-thought-out features, they promote independence and help keep group rooms and hallways organized.

Here's what the lockers & wardrobes offer:

- + **Designed with children in mind:** All compartments are easily accessible to preschoolers—ideal for daycare centers and kindergartens
- + **Flexible options:** Available in single- or double-tier versions with full-length or split doors
- + **Easy to clean & hygienic:** Doors feature a ventilation hole pattern that makes cleaning easy; smooth, sweepable floors on the inside
- + **Practical interior fittings:**
 - + Sturdy oval-profile changing room rail with 3 anti-rotation sliding hooks per compartment
 - + For full-length doors, additionally equipped with a fixed storage shelf (internal height above: 320 mm)
- + **Well-thought-out details:** Doors hinged on the right, mounted on sturdy bolt hinges
- + Base available with either feet or a plinth

BIONIC Steel Frame by C + P:

Sturdy steel structure with strategic material reinforcement for outstanding stability and service life.

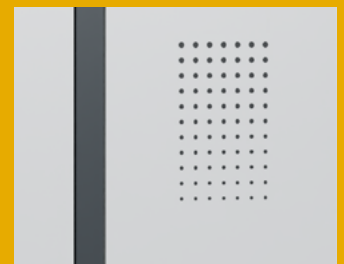

Controlled Opening:

Standard 90° door stop for greater safety and convenience

Essential Safety Equipment:

Ergonomic turning bolt latch for padlocks with integrated door protection—practical, sturdy, and suitable for everyday use.

Optimal ventilation:

Door and cabinet openings ensure air circulation and prevent odors from forming—a hygiene must for daily use.
