C + P Logistik Service for Deliveries International from 2026

Not applicable for islands, Alpine huts, mountain stations or places of delivery not accessible by or prohibited for private vehicles—please ask for details
Direct delivery to many regions using our own fleet of HGVs without transshipping or unpacking—see below for additional charges for packaging.
For the services "Free Place of Use" and "Assembly," we require a description of the transport route: www.cplockers.com/twb
