The new Acurado Pro

Resilience x Structure x Efficiency

Der Stahlschrank.

Heavy-duty cabinets with drawer block

The tool cabinet for professionals who deliver top performance every day.

Every detail counts in workshops and production facilities. Our tool cabinet has been consistently developed for professional use – with extreme stability, high load capacity, and a well-thought-out interior organization. It offers secure storage space for heavy tools, ensures structured workflows, and can withstand high loads over the long term. Robust steel construction, sturdy drawers, and flexibly adjustable shelves create order, efficiency, and safety in everyday work. For anyone who doesn't just want to store their tools, but wants to organize them professionally.

Advantages

+ Sturdy steel construction with high-quality coating for high UV and corrosion resistance, with floor gliders for practical cabinet and floor protection
+ High load capacity for heavy storage items – cabinet load: 700 kg (wall mount required)
+ Doors with closed side profiles and concealed locking rods for maximum stability, optionally made of solid-metal or with acrylic glass viewing window for direct visibility
+ Door mounting bracket in external hinges with an generous opening angle of roughly 180° for convenient access to the cabinet contents
+ Drawers in 4 different heights (75, 100, 150, and 200 mm) and high load capacity of 80 kg, smooth-running and drawer with full extension thanks to ball cage telescopic rail guide
+ Zinc-plated drawer pans with aluminum handle bars and label holder for individual labeling
+ Zinc-plated shelves with an even higher load capacity of 110 kg, flexibly adjustable in 15 mm increments

Door opening angle approx. 180° thanks to external hinges

Drawers with telescopic rail guide, fully extendable, load per drawer 80 kg

3-bolt “Ergo-Lock” grip lock with patented mechanism: simply press to close

With cylinder lock and 2 keys (standard)

Easy to use even with gloves on

Ergo-Lock electronic PIN code lock
